TASTING NOTE

This Prosecco Rosé has a pomegranate nuance edged with soft pink reflections. The nose is subtle and fresh, offering hints of small red fruits. Notes of rose and pomegranate complete this elegant and intense aromatic profile. On the palate, it is silky and full, presenting a very pleasant balance between the fruity and floral notes.

PRODUCER

Based in Treviso in the heart of Proseccocountry, La Gioiosa is one of Italy's leading Prosecco producers. Owned by the MorettiPolegatto family La Gioiosa represents the tradition of winemaking which has been passed through generations of the family. La Gioiosa has consistently won awards across the globe and its quality wines are enjoyed by many.

VINIFICATION

Whole white grapes are put into the pneumatic press for soft pressing and the resulting must, after a first racking, is put into controlled temperature tanks where it remains until it is used for the production of the sparkling wine. The red grapes, after pressing, are put into tanks where a soft maceration for extraction of colour and a few tannins takes place at a controlled temperature of 22-23°C. At the same time the aroma is enhanced.

SECOND FERMENTATION

The white must and a small part of the red wine are mixed. The resulting cuvée with added yeast cultures selected by La Gioiosa is then put into vessels where fermentation takes place at a controlled temperature of 15-16°C to enhance all the harvest fragrances. Upon reaching the required alcohol and sugar content fermentation is stopped by refrigeration. After being left for at least two months in contact with the yeasts, the sparkling wine is ready for bottling.
