TASTING NOTE

The Prosecco Superiore Extra Dry Asolo is a top class wine from the micro production zone of Asolo that has captured everything that makes Prosecco what it is, with extra layers of complexity and flavour. Made using their hallmark fresh style, the wine has perfect bubble structure, stunningly aromatic aromas and complex fresh fruit flavours. A wonderful Prosecco, made in a slightly softer Extra Dry style.

PRODUCER

Based in Treviso in the heart of Proseccocountry, La Gioiosa is one of Italy's leading Prosecco producers. Owned by the MorettiPolegatto family La Gioiosa represents the tradition of winemaking which has been passed through generations of the family. La Gioiosa has consistently won awards across the globe and its quality wines are enjoyed by many.

VINIFICATION

Whole grapes are put into the pneumatic press for soft pressing and the resulting must, after a first racking, is put into controlled temperature tanks where it remains until it is used for the production of the sparkling wine.

SECONDARY FERMENTATION

The must with added yeast cultures selected by La Gioiosa is then put into vessels where fermentation takes place at a controlled temperature of 15-16°C to enhance all the harvest fragrances. Upon reaching the required alcohol and sugar content fermentation is stopped by refrigeration. After a short settling period the sparkling wine is ready for bottling.

RECOMMENDATION

Excellent as an aperitif. It goes well with fish marinated with delicate aromatic herbs and herb-based first courses.
